13 IGNATION VEYTIA-MARTINEZ,

14 Plaintiff,

CV F 02 5818 OWW WMW P

15 vs.

FINDINGS AND RECOMMENDATION

16 R. ANDREWS, et al.,

17 Defendants.
18
19

20 Plaintiff is a federal prisoner proceeding pro se. On February 16, 2005, the court
21 sent plaintiff an order dismissing the complaint with leave to file an amended complaint. On
22 March 1, 2005, the order served on plaintiff was returned by the U.S. Postal Service as
23 undeliverable.

24 Pursuant to Local Rule 83-183(b), a party appearing in propria persona is required
25 to keep the court apprised of his or her current address at all times. Local Rule 83-183(b)
26 provides, in pertinent part:

1 If mail directed to a plaintiff in propria persona by the Clerk is
2 returned by the U.S. Postal Service, and if such plaintiff fails to
3 notify the Court and opposing parties within sixty (60) days
thereafter of a current address, the Court may dismiss the action
without prejudice for failure to prosecute.

4 In the instant case, sixty days have passed since plaintiff's mail was returned and he has not
5 notified the court of a current address.

6 In determining whether to dismiss an action for lack of prosecution, the court
7 must consider several factors: (1) the public's interest in expeditious resolution of litigation; (2)
8 the court's need to manage its docket; (3) the risk of prejudice to the defendants; (4) the public
9 policy favoring disposition of cases on their merits; and (5) the availability of less drastic
10 sanctions. Henderson v. Duncan, 779 F.2d 1421, 1423 (9th Cir. 1986); Carey v. King, 856 F.2d
11 1439 (9th Cir. 1988). The court finds that the public's interest in expeditiously resolving this
12 litigation and the court's interest in managing the docket weigh in favor of dismissal. The court
13 cannot hold this case in abeyance indefinitely based on plaintiff's failure to notify the court of
14 his address. The third factor, risk of prejudice to defendants, also weighs in favor of dismissal,
15 since a presumption of injury arises from the occurrence of unreasonable delay in prosecuting an
16 action. Anderson v. Air West, 542 F.2d 522, 524 (9th Cir. 1976). The fourth factor -- public
17 policy favoring disposition of cases on their merits -- is greatly outweighed by the factors in
18 favor of dismissal discussed herein. Finally, given the court's inability to communicate with
19 plaintiff based on plaintiff's failure to keep the court apprised of his current address, no lesser
20 sanction is feasible.

21 Accordingly, the court HEREBY RECOMMENDS that this action be dismissed
22 for plaintiff's failure to prosecute.

23 These findings and recommendations are submitted to the United States District
24 Judge assigned to the case, pursuant to the provisions of Title 28 U.S.C. § 636(b)(1). Within
25 thirty days after being served with these findings and recommendations, plaintiff may file written
26

1 objections with the court. Such a document should be captioned "Objections to Magistrate
2 Judge's Findings and Recommendations." Plaintiff is advised that failure to file objections
3 within the specified time may waive the right to appeal the District Court's order. Martinez v.
4 Ylst, 951 F.2d 1153 (9th Cir. 1991).

5 IT IS SO ORDERED.

6 **Dated: May 2, 2005**
